President's Letter February 2023

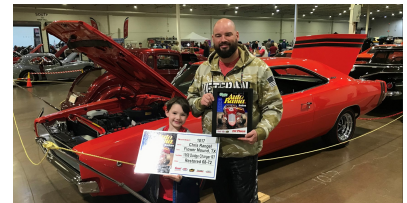

I hope this note finds all of you well. Time is flying by with almost 2 months of 2023 now in the books. And what a great start to the year it's been for the Dallas Mopar Club. We've sure had weather of all types over the past couple of weeks but it hasn't slowed down the Mopar folks at all.

As I jot down these notes, the 62nd annual AutoRama was just completed at Market Hall in Dallas. The Dallas Mopar Club participated with a record 10 vehicles. We shared some space with the Cowtown Race Team and the 8 cars that they brought helped make an impressive display of 18 Mopars. Not only did every Dallas Mopar Club entry win a 1st, 2nd or 3rd but the Dallas Mopar Club won the Outstanding Club Display award!

Congratulations to these Dallas Mopar Club FIRST PLACE winners!

Chris Rangel – 1968 Dodge Charger R/T - This beautiful R/T continues to rack up awards. It also won the Tony Feger memorial award at the Southwest Mopar Nationals last fall. Thanks for bringing this red beauty to AutoRama. I love that car!

Ron Petrasek – 1986 Dodge Daytona Turbo Z – This sweet Daytona was very popular with fans. Many people didn't realize that this overhead cam, turbo pocket rocket was so far ahead of its time. Ron somehow finds time to keep his vehicles show ready but he's not afraid to drive them. He also is the person that does such a good job with this newsletter every month.

David Kniss – 1972 Plymouth Duster – David's beautiful yellow Duster almost looks like a grocery getter until you notice the “410” where the “340” would be on a Duster 340. This bench seat, auto on the column Duster is a monster.

Patrick Landry – 2001 Chrysler Prowler – If you never had the opportunity to closely inspect a Prowler when they were new, check out this one. It's as close to new as I've seen in a long time. As the years go on, the popularity of these unique vehicles continues to grow. It's beautiful.

Rick Shatswell – 1971 Plymouth Roadrunner – Every time I see Ricks 'bird', I get jealous. Rick takes this car to several shows but he keeps it detailed and ready for the next award. I always liked the styling of the '71's and Rick has one of the best examples around.

2nd Place Winners!

Jerry Reed – 1987 Dodge D-150 – Jerry has won AutoRama with this vehicle in the past and it continues to be a show stopper. Jerry actually entered his truck at the last minute due to a cancellation. Even with very little time for preparation, it still takes an award.

Ron Rendleman – 1933 Plymouth Coupe Street Rod – Ron's '33 is beautiful. Frankly, I couldn't believe it took a 2nd place. I'd have to believe that whatever took 1st place must really be something. I just love that '33!

3rd Place Winners!

Andy Dicus – 1970 Plymouth Cuda 340 – Andy's Lime Light Cuda is a consistent show winner. This is a very competitive class but I was surprised by the 3rd place award. Andy is our Treasurer, very active in the club and he's not afraid to drive that Cuda. I know that from a fan perspective, it was one of the more popular cars in our display.

Colin and Peggy MacRury – 1968 Plymouth Sport Satellite Convertible – I was so glad to see this Satellite again. It's a beautiful original car. It even has the original green convertible top on it. How many tops last 55 years??? A wonderful car.

Jim Carpenter – 1968 Plymouth (almost Roadrunner?) - This was the first chance I had to take a close look at this car. I love the '68 Plymouths and Jim's is a wonderful B5 blue example. I kid him about being almost a Roadrunner, it even has the purple horn and Wylie Coyote leaning against the fender, hmmm.

Again, congratulations to all 10 of our club winners and thanks for making the Dallas Mopar Club proud. A special thanks to Jerry Reed for his tireless effort with getting these cars lined up, entered, setting up the display and working through the many details that go with putting the display together. Jerry gets the stanchions, the ropes, makes holders for the AutoRama signs and takes a personal interest to make sure every car is safe and properly displayed. I just can't imagine anything that would have made the show better. We even had great weather. Thanks again Jerry!

We have a lot of activities planned and we welcome ideas from any and all of our members. I would like to see more casual gatherings, especially with Spring right around the corner. Maybe cruises, tech sessions to help individual members with challenges they face, or just good meeting spots to shoot the bull. We have the Shreveport Mopar Magic show on March 25, that's always a great show with a fun group. Check out the flyer in this newsletter. There's usually a group that drives over the day before and stays in the Marshall / Jefferson area before heading in to Shreveport. The DMC has a standing \$100 a year bet regarding attendance. We had 6 Mopar Magic cars at our show last Fall. We need 7 DMC cars at their show to win \$100. Otherwise, the club loses \$100. Contact Jerry Reed for details and to help him arrange the caravan over and back. Also, you'll find another flyer regarding the Southwest Mopar Nationals in Rowlett on October 7. October is still several months from now but planning is underway for another great show. We have some improved parking and other changes this year that will make this show even better than ever before.

I was also contacted regarding a show at the Elks Club in Mesquite on March 25, the same day as the Mopar Magic show. I don't have any additional details on that show.

Also, right around the corner, I hope you can join us at Clint Cash's Chow Down, March 11 at Clint's complex at 2484 County Road 643, Nevada, Texas 75173. He has planned for 11am – 3pm. In addition to our 'Classic' DMC group, we are expecting a couple of dozen "Modern" Mopar's from Mopar's of the DFW. The Dallas Mopar Club is providing food and we'll have "Best Classic" and "Best Modern" people's choice awards plus our 50/50 awards. There is no cost to enter your car in this casual show. Clint has a unique place; you might have watched some of his You Tube series on Mopar restorations.

Our normal meeting date is March 12 but since we'll be together at Clint's place on March 11, we'll have a brief meeting in Nevada. We will not be meeting at the VFW in Garland on March 12. We'll announce our plans for April in next month's newsletter. The 2nd Sunday of April is Easter so we obviously will not be meeting that day. We might schedule an alternate date or have a Zoom meeting to cover any club business.

The Texas Muscle Car Club Challenge schedule is coming together. You'll find a calendar of race events in this newsletter. If you have questions about racing your car, feel free to contact Robert Vaughn or Craig Bush. It's not as difficult as you might think and its great fun. You certainly don't have to have the fastest car to be very competitive.

Ok, enough rambling from me. There's a lot going on in YOUR club. Pay your dues! Attend the meetings and events! Get those Mopars out and drive them!

Thanks again for your support of the best car club in DFW!
