Notes from the President's desk – February 2024

Happy February Moparites! We are getting some nice, “almost Spring” weather and the car show / cruise season is jumping into high gear. We're trying something new with this month's 'Calendar of Events' that was prepared by Cecelia Walters and Ron Petrasek. Some of the events listed are outside of our immediate area but they wanted to make the list as complete as possible. Events that are specific to the Dallas Mopar Club will continue to be listed here and the newsletters will contain flyers. If you have an event in your area that you'd like to see listed, feel free to send that information to Cece or Ron. Their numbers are on the cover of this newsletter.

Speaking of shows, the club just completed a big weekend with over a hundred thousand folks at the Dallas AutoRama show. This show is the largest indoor show in North Texas and always a special event. The weather was good for move-in and move-out, we had several 'first-time' cars in the display and overall, the Dallas Mopar Club joined by the Cowtown Mopars had the largest club display at the show. Between the 2 clubs, we had a total of 21 displayed vehicles, 12 from Dallas and 9 from Fort Worth. You'll enjoy perusing the pictures that Ron took for this newsletter. Thanks so much to the folks that helped with the display. Several of the car owners were at the show every hour the show was open. That makes for a very long 3 days but if you like shows, this one is a dandy. We had a couple of First place awards, several 2nd's and 3rd's. Every car won something. Congratulations and thanks again to these winners:

Steve Cheesman – '72 Charger

Toby Walters – '70 Roadrunner Convertible (Toby also took an award with his '70 Super Bee with another club)

Ken Burns – '69 Roadrunner

Chuck Slater – '70 Cuda Hellcat

David Clark – '74 (?) Cuda 'Hellfish'

Ron Rendleman – '33 Plymouth Street Rod

Jim Carpenter – '19 Challenger Redeye

Rick Shatswell – '71 Roadrunner

Ron Petrasek – '86 Daytona

Cecelia Walters – '72 Duster 440

David Saunders – '70 Cuda – 392 Hemi

Clint Cash – '23 Challenger Demon 170

A great collection of beautiful cars. Thanks for all of the hard work from everyone to make the Mopar display the best ever!

Mark your calendars NOW for these upcoming Dallas Mopar Club events:

- March 10 (1st day of Daylight Savings Time) Dallas Mopar Club monthly meeting – Garland VFW (2180 Meridian Way) 2p.m.
- March 23 – Mopar Magic Car Show – Shreveport (See flyer) (Contact Jerry Reed for more info)
- April 6 - 2nd Annual – Clint Cash Swap Meet and “Chow Down” (See flyer)
- September 28 - 40th Southwest Mopar Nationals Car Show – Rowlett, Texas (See flyer)

We need folks to bring their “stuff” to Clint's Chow Down and Swap Meet. We had a good show there last year but Clint is planning something a little different this year. Plan to spend April 6 with Clint in Nevada, TX. Remember, “one man's trash is another man's treasure”.

Ok, enough rambling from me. Clean up those Mopars, they love to be driven. I enjoy the weather at this time of year. Not too cold, not too hot.

Also, share your stories. Take a few pictures of your car and write a few lines about its history, work that's been done and / or needed. Also, feel free to share your good experiences with vendors or shops that have helped you. Other members want and need sources for help with their Mopars. It's one of the biggest values from your club membership. We learn from each other.

Speaking of membership, PAY YOUR DUES! I belong to several clubs and I know it's easy to forget. Renew now and don't miss out on any of the fun.

Thanks again for your great support of the Dallas Mopar Club. Please feel free to send me any feedback or suggestions for the club. This is YOUR club! I always look forward to hearing from you.

Dallas Mopar Club February Minutes

Dallas Mopar Club

Meeting minutes February 11, 2024
Meeting occurred at VFW Post 5076 2180 Meridian Way, Garland 75040

Club meeting was called to order at 2 PM by president Bob Gant.

Following the pledge of allegiance club treasurer Bob turned the meeting over to Andy Dicus who presented a detailed financial report with copies passed out to members. He went over the bank activity for the past month and review of member renewals. Andy also had a request for a new CPA to perform the Club taxes for 2023.

Bob then went into specifics concerning the AutoRama car show which occurs Feb 16-18 at Market Hall in Dallas. Bob welcomed Ron Carroll with the Cowtown Mopar Club; Ron submitted all the applications to AutoRama for both clubs. Bob noted that the DMC will pay the entry fee for any DMC club member that displays his or her car with a caveat that members would have to pay their dues first. Discussion commenced with members in attendance that had experience showing their car at this event and some new members that have not done so.

Bob also mentioned that we need to start having feature Car of the Month for our newsletter.

Bob then brought up having an event at Clint Cash's shop in Nevada, TX for April 6th. Cecilia Walters (DMC club coordinator) said she would get with Clint to work on putting together a flyer for the event. There was discussion if we should just have a Car Show or Car Show and Swap Meet and if food would be provided.

Bob then asked if there was any other business to be discussed. None was brought up.

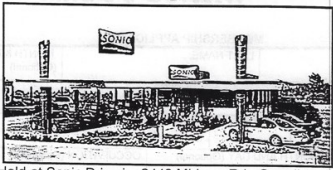

Motion to adjourn at 3:10 PM by Bob Gant.

Meeting minutes submitted by Ron Petrasek.

Dallas Mopar at 2024 Dallas AutoRama

The Dallas Mopar Club and the Cowtown Mopar clubs joined together for the 64th Annual Dallas AutoRama event from February 16th - 18th 2024. A total of 21 Mopars attended for our two clubs. The event started for our members on Thursday morning February 15th as we lined up outside of the Dallas Market Hall. The door opened up at 9 AM as we slowly got our cars registered and given the location where we would park our cars.

Jerry Reed's experience with the Dallas AutoRama and Andy Dicus pulled their wagons in to start setting up our Dallas Mopar exhibit and with all the fixtures and rope to protect our vehicles during the Dallas AutoRama show. Dallas Mopar members began assembling Dallas Mopar signs, tables, flyers and chairs for our club members to attend the car show. The 64th Annual AutoRama was a great success with many of our members getting recognition for our Mopars.

Thanks to all our Dallas MOPAR members that shared their vehicles and stories with the thousands of people that attended the 2024 Dallas AutoRama.
