DALLAS MOPAR CLUB NEWSLETTER

LAST MEETING...

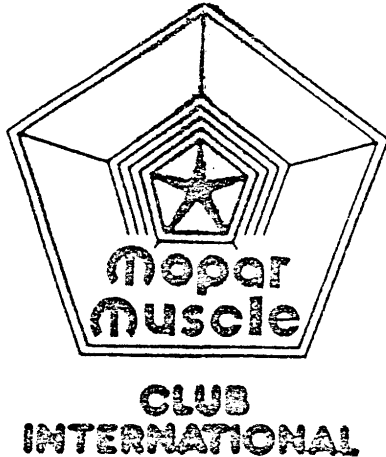

The last meeting of the Dallas Mopar Club turned out to be very entertaining. Weather conditions were ideal, member participation was up, and the cars were - as always - exceptional! Fresh new faces - as always - were a welcome sight to those elder members and helped to rekindle some long lost enthusiasm. Let's just hope the new faces continue to roll in. Thanks to president Jerry Calder for providing us with a challenging road rallye which all participants thoroughly enjoyed.

THIS MEETING...

For the April meet, Dallas Mopar will be meeting at Preston Chrysler-Plymouth located at Preston Road just south of LBJ Freeway. Arrange to be there between 8:00 & 8:15 p.m. April 9th (see our display in the MMCI swap meet). After just a brief meeting at Preston we plan to move, as a group, to Forest Lane where a parking lot will be reserved by MMCI for us. Details about this swap meet are enclosed in this newsletter. We hope all members can make it to this meet as it should be of benefit to all.

NEXT MEETING...

Green Valley Race City...details later!

MOPAR MUSCLE CLUB INTERNATIONAL

is sponsoring a car show at the PRESTON I Plymouth, Chrysler, Dodge dealership on APRIL 9th.

There will be parts to buy and trade, cars to show, a trophy for best of show, a money drawing, games, and much much more.

The fun starts at 9 in the morning and continues to 9 at night.

THEN THE REAL FUN STARTS

THE ENTIRE MOB is going to head to FOREST lane and show those other cars what cruising is all about.

AMERICAN NATIONAL BANK on 3535 Forest lane is going to let us park in their lot WITHOUT POLICE HASSLING US.

YOU WILL BE SORRY if you miss this one. All you need is three measly dollars to enter. So bring all your parts and ALL YOUR MOPARS, old or new, ragged out or beautiful. And let's show Dallas that:

NEW MEMBERS - APRIL '83

Ronnie Tucker - Ronnie is a proud, original owner of a 1970 Plymouth AAR Cuda. The car has very low mileage and has been very well preserved. Looking forward to seeing more of these kinds of original cars.

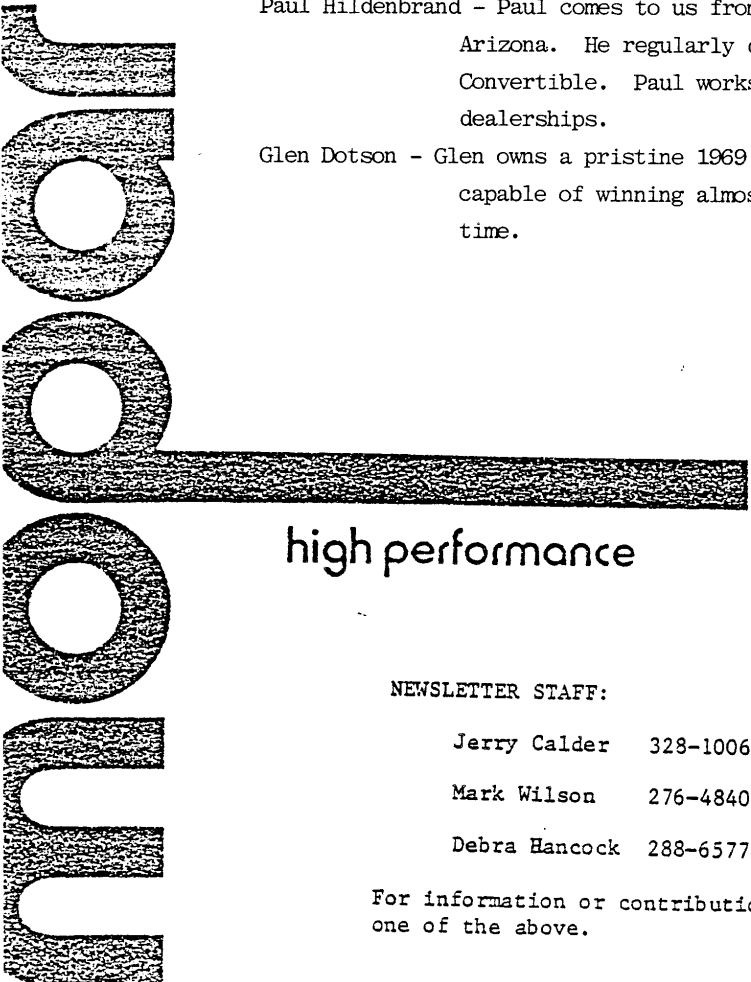

David Jealouse - David comes to us from Cedar Hill in his most recent find, a 1968 GTS Convertible. He also has plans to completely restore this little jewel. Well done David.

Robert Vaughan - Immaculate 1970 HEMI Cuda. Robert's car kinda speaks for itself. Less than 10,000 original miles.

Ron Taylor - Ron couldn't make our last meet but is anxiously awaiting the next. His cars include a 1967 R/T, 1967 Coronet 500, and a 1973 Challenger.

Paul Hildenbrand - Paul comes to us from the Cochise Car Club in Tucson, Arizona. He regularly drives a 1970 Challenger R/T Convertible. Paul works for one of the local Chrysler dealerships.

Glen Dotson - Glen owns a pristine 1969 Dodge Super Bee. The car is capable of winning almost show and does get some street time.
