## "The President's Transmission"

Elections were held at the August meeting for the position of Director 2, the term running September 2016 through August 2018. Frank Maxwell, the incumbent, was elected on a white ballot as no one else was foolish enough to run against him. This is Frank's first full term as he only had a partial year filling in for Tracy when Tracy was voted in as Treasurer. Give Frank a round of applause. The terms of all officers will expire in December and nominations will be received in October, November and December with elections in December. Be sure to raise your hand when called on to serve.

The date for the Texas State Fair is October 15, 2016. Contact Tracy Barenz at [barenzt@sbcglobal.net](mailto:barenzt@sbcglobal.net) or 469-343-9087 if you plan on being a part of the Mopar display of cars. Remember you and anyone in your car gets in free but there are restrictions regarding attendance. Arrival is NLT 9AM and once inside you cannot leave until after 6PM. If you want to go but don't have your car ready Bob Ostrowski suggests you park outside the Fair Grounds and hitch a ride in with some in their classic car.

While not a DMC sponsored event, I understand some members attended the "We are Mopar" Car Show 20 August at Gas Monkey Live in Dallas. The number of classics in attendance varies by who you ask. The count I heard for classic cars was between 10 and 25 out of over 700 cars that attended. It was a rainy day so that did impact attendance. It was reported by Leroy Daniels that Mopar Magic had 6 cars there and wondered where our club was.

Dallas Mopar Club's 32<sup>nd</sup> Southwest Mopar MiniNationals is now just a memory in life's rear view mirror. The total registration was 135 including judged and non-judged vehicles, swap spaces, and those that registered but were no shows. On line registration was down slightly as was overall registrations from last year's 164. Sound was very much improved over last year with David Bilderback and Gary Paschall providing the sound system. They placed individual DC operated receiver/speaker units throughout the park broadcasting on 99.3FM so almost the entire park was covered by sound without it being offensive. If I were to try and individually mention all the individuals that made this year's show a success certainly I might offend someone by leaving them out so instead I say thank you to what I refer to as the "faithful few" for making this year's 32<sup>nd</sup> Southwest Mopar MiniNationals such a success. Thank you!!!

In the sad news department I am sad to announce that we are losing Tracy and his wife Jodi to a job in Wisconsin. Tracy has been in the Club for 10 years and has faithfully served in some capacity the entire time; President, Director and is now Treasurer and Newsletter editor. Tracy we love you brother and will miss you and Jodi tremendously. See you next year at the DMC Southwest Mopar MiniNationals!

See you at the September club meeting. *Bill*

# Club Meeting August 14 2016

The Dallas Mopar Club Meeting

August 14th, 2016

SpringCreek Bar-B-Q

Club President Bill Bonney called the meeting to order at 2:05pm.

We had two guests present. Michael Morrison has a '68 440 Barracuda, and Tristin Hamlet, from Rockwall, has a '66 and a '69 Charger.

Bill discussed how the MiniNats plans are coming along. He noted that we are not having goody bags this year, but we are giving the first 100 show participants a free MiniNats t-shirt. Bill also discussed that the club donated \$500 to the Wylie Merchants Association and we also made a donation of \$500 to the fallen Dallas Police Officers.

Everett Lee and Gabby presented the new club jackets. Some of the club members had already ordered theirs so they were able to take them home today. Other club members were able to order theirs today. It was noted that the sizes were running small.

Frank Maxwell gave a club events update: There is an upcoming car show in Weatherford, but didn't know the date. It will be posted later.

The Meteor Burger in Wylie is still having its get togethers on the first and third Tuesday evenings. Our day for the Texas State Fair car corral will be October 15th.

Robert Vaughn gave us an update on the muscle car club challenge. The first date is Sept. 11th at Wichita Falls and Sept. 18th at the Texas Motorplex.

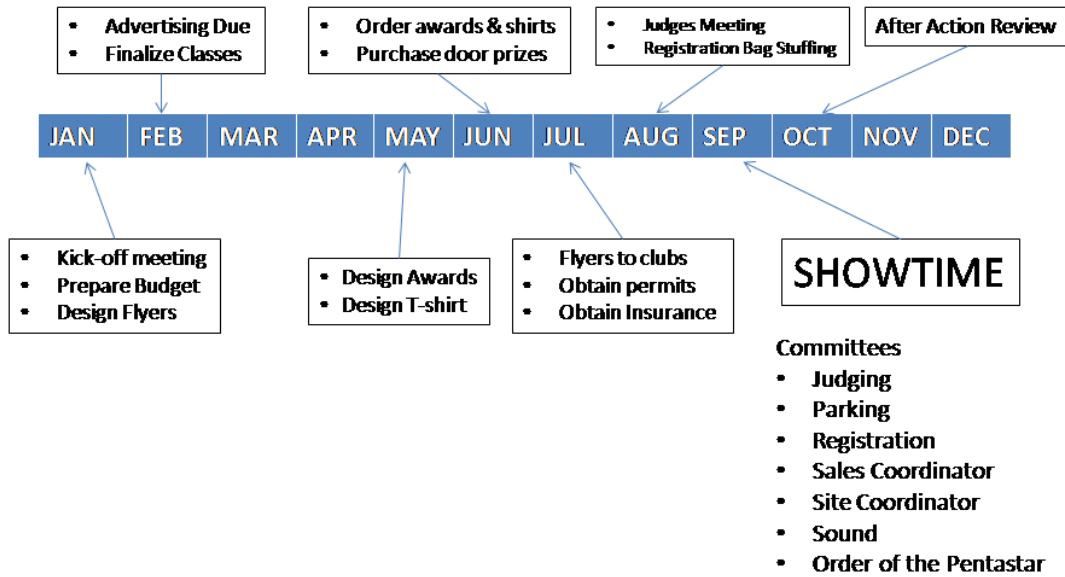

The next topic was a possible club sponsored cruise/road trip. We had a half dozen ideas. We decided that Frank would put together a list and e-mail to all club members. Frank Llano had two ideas: the first is the Normas' Cruise which is on the 3rd Saturday of the month, and the second idea is the 2nd Saturday of the month is the Cracker Barrel up in Lewisville. He said that at the Lewisville event we could plan ahead and have a reserved area just for our cars.

Frank Maxwell was unanimously voted to fill the director position on the board for the next two years.

The 50/50 pot of \$16 was won by Robert Vaughn. The favorite car \$15 was won by Kirk Puckett
