"The President's Transmission"

The terms of all Club officers expire in December so nominations will be received in October, November, and December with elections to be held in December at the Club's Christmas Party. With the exception of President, none of the current officers are eligible to serve again so be thinking about who you would like to see serving this next year and be sure to raise your hand when called on to serve. Also please have the person's approval before nominating them for office. Officers serve for one (1) year and may serve two (2) consecutive terms.

Remember to mark your calendar for the Texas State Fair October 15, 2016. Contact Jerry Reed at 214-755-6942 if you plan on being a part of the Mopar display of cars. Remember you and anyone in your car gets in free but there are restrictions regarding attendance. Gates close promptly at 9AM so plan to arrive NLT 8:30AM and once inside you cannot leave until 6PM. If you want to attend the Fair but don't have your car ready, Bob Ostrowski suggests you park outside the Fair Grounds and hitch a ride in with someone entering their car or truck.

In the sad news department Tracy Barenz has left for his new position in Wisconsin where he will not work as hard and have more time off to spend with Jody and relatives in the area. Tracy has been in the Club for 10 years and has faithfully served as a Director, past President for two (2) years, Treasurer in 2016 and PentaStar Press editor. He has agreed to continue as the newsletter Editor for the foreseeable future. Tracy we love you brother and will miss you and Jody tremendously. See you next year at the DMC Southwest Mopar MiniNationals! Maybe you will receive the long distance award!

Fran Maxwell is now managing the club events and plans to send routine email reminders out to members. Some recurring activities that Club member's attend are posted on the Club's website. Several suggestions have come from members Leroy Daniels and Rick Willis for cruises. Leroy has suggested cruising to a winery in Tyler for lunch or dinner and Rick suggests we cruise down his way around Hillsboro. An event that several of us have attended is The Edgewood Heritage Festival and Car Show which is set for Nov 12, 8:45AM to 4:00PM in Edgewood, Texas. This is an easy drive over to this show which is just a short distance out highway 80 past Wills Point. Brad Buttermore usually calls ahead to have them reserve us space together. This is a great family friendly event with something for the whole family. Thanks to Frank Llano for hosting the club and spotting some cash for winners at Norma's car show on September 17. Regrettably my car was down that day as I was updating it to a FiTech EFI system. Brad Buttermore helped me start the project by helping me to remove the gas tank and route two (2) 3/8" hard lines for supply and return. Brad learned the hard way that my lift does not allow him to walk under it without stooping..

September 2016 Club Meeting

The meeting was called to order at 2:10pm by President Bill Bonney. Bill thanked all the members for coming today and that it is the 15th anniversary of 9/11.

We have two guests today, Joe and Diana Arenal, and they drove their '65 Fury.

Bill went over some of the highlights of Friday nights' Board meeting, which was held at Frank Maxwell's house. They discussed a lot of the good and bad things that occurred at the MiniNats. They were short 6 judges...the ones that were supposed to be provided by the DFW LXClub. We did have a good return on the MiniNats survey. A Bar-b-que grill was given away to the winner of the survey. The food vendor got a poor rating this year. Our food vendor that we had used last year was already booked for that Saturday. A man from Gilbert, Arizona won the long distance award this year. We had paid \$100 for the top fuel dragster to come and everybody thought it was a good idea. They said the kids really liked it, and a lot of pictures were taken with the dragster. Our total income was \$239.00.

Treasurers' report: \$21,516 in the bank. Our income was \$7,365 and our expenses were \$7,126. Our Treasurer Tracy and his wife Jody are leaving today, and moving to Wisconsin. Tracy starts his new job on October 1st. He will continue being the newsletter editor and Bill Bonney will perform the Treasurers' duties for the rest of the year.

Events: Arlington Car Show on 9/16
Plano car show on 9/27
Normas' at Trinity Mills and Tollway on 9/17
Greenville Car Show on 10/8
State Fair of Texas on 10/15
Meteor Hamburgers in Wylie on 1st and 3rd Tuesday evenings
Kellers the 4th Saturday of the month, get there by 7pm.
Edgewood Fall Festival on Nov.12th.

Race Update: Today is a raceday up in Witchata Falls. Next Sunday is in Ennis, and in October the last race will be in Kennedale.

Club Windbreakers: There is a problem with the vendor that Gabby is working with, and she and Everett are working on solving that problem.

The elections for new officers is coming up soon and we need some new people All of the officers seats are open so come volunteer to be on the board and put some of your ideas in the club.

We had a door prize to give away and Barbara Barnett won the \$25 gift certificate to Rock Auto.

The 50/50 pot was won by Jerry Reed, who won \$7.00

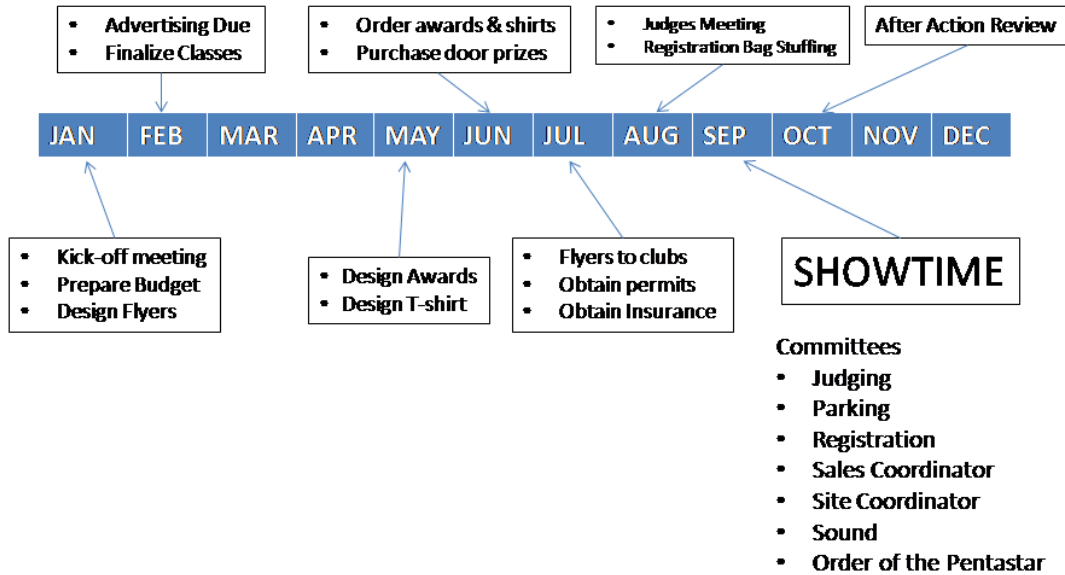

The other half of the 50/50 pot was won by our guests Joey and Diana Arenal and their pretty '65 Fury.

The meeting was adjourned at 4:20pm.

Respectfully submitted,
Lee Elms, Secretary

IBM Build Card for 1967 Chrysler Newport Custom

The Chrysler Historical services has Build Info for cars and trucks prior to 1967

Late 2015 I found that Chrysler Historical had a microfiche copy of the IBM shipping Build Card for My 1967 Chrysler Newport. I ordered an email copy of the card and they sent me a copy of the card and a write up on the serial number and the options that was installed on the car along with the ship date. With this I now have the original build sheet and the original fender tag and all 3 agree with each other.
