"The President's Transmission"

From Moparmax;

There will be no june president's letter as i will again be out of town. this time may 9th thru june 2nd. this letter will also serve as my usual club wide emails with event updates. by the time you all read this, the no tax on batteries weekend will be over. also over will be the concours d' elegance in arlington, tmccc in abilene, and the much anticipated road trip to tyler for the Keipersol winery tour/lunch meeting up with 8 couples from the shreveport club. also on april 29th in downtown garland is the "wheels of hope" car show. in the first part of may we have our board meeting, may 5th, may 6th is the hillsboro road trip meeting up with the lone star plymouth club for lunch and a museum tour. on may 7th is our regular monthly club meeting, and tmccc racing in denton. this is the rain rescheduled date. also, denton racing on june 11th. and of course mother's day is may 14th. after the june 11th tmccc event, the series will be taking a little time off.

future summer special events i already have planned include a probable picnic, meeting the cowtown club at a park in arlington. as of now i am expecting august for the picnic. also i hope that we can promote one or two saturday night cruises at each of 3 places, norma's, keller's, and the cracker barrel in lewisville. also a road trip back to the tyler area (arp) for a look at the vipers belonging to wayne and d' ann rauh is being discussed. they own about 80 vipers. wayne is also the president of the local viper club. another early may event, on may 13th, a car, truck, and motorcycle show at the oakview baptist church in irving.

we are in the process of updating/changing our club web site to one more easily administered. our contract for the web site expires the end of may. we are working on the revised format of the newest club jacket. this year's mini-nats planning gets going in may. we are hoping for many more volunteers this year. we would like to maintain our level of show in the future. it will only happen with increased help coming from club members on show day.

and a continuation from last months show update, i found out that only patrick landry made it to the cowtown club's big show. i have to say a big sorry folks for such a bad turnout from our side of town. no soapbox from me here, but i would sure like our club to become more active with the fort worth club.

Frank (Moparmax)
