The President's Letter

From your Dallas Mopar Club President:
The President's Letter, Happy Holidays Edition.

December 2020 - January 2021

Covid-19 is still with us, however; we survived and continued as a club and even flourished, with 18 brand new club members joining in 2020, which was a record.

We had a wonderful Christmas party thanks to Brad and Becky, and all of our core club members, again, as usual. Great family and friends, great meal, great desserts, and an excellent gift exchange. Several bottles of wine were acquired. Bill and Susan drove in from Emery. Stephen Dykes drove in all the way from Bastrop (100 miles), and we even had to of our newest member couples attend. Ron took pictures. I took care of all the comedy.

With the elections now completed, below is the 2021 board member roster:

- President: Frank Maxwell, Moparmax
- Vice President: Becky Buttermore
- Treasurer: Brad Buttermore
- Secretary: Craig Bush
- New Director: Clint Cash replaces Mike Boyd
- Robert Vaughan and Ron Petrasek continue as Directors
- Mike Boyd is staying on as our DMC web master, membership director, data base director, and Mini Nat's production, can't forget Melissa as she helps Mike keep it all together
- Ron could very well win the Pulitzer for Mopar club newsletters.

Congratulations, and thank you all our 2021 board members for stepping up to the plate.

First business for 2021 will be AutoRama Dallas 2021. I will keep you all updated on the status of this show as to dates, changes, etc. Any and all questions address directly to me, via email (frank.maxwell@yahoo.com) or by cell phone: 214-577-5187. I already have over 6 names on my "those interested" list. They get first choice followed by alternates.

The final entry list will be completed with application forms along with the club check in payment to AutoRama the day after the January 10th club meeting. 2pm Spring Creek BBQ Midway Road @ Beltline Road, North Dallas (preceded by board meeting at 12:30pm). I hope to see all club members there.

For 2021, I do hope that we return to some sort of normalcy. More events, and activities. In 2020 the DMC did outperform Shreveport, Cowtown, Ok. City, Wichita, Phoenix, and Atlanta Mopar clubs in club related activities hosted and promoted.

The 2021, 37th annual Mini Nat's will REQUIRE another full club effort to complete successfully.

And finally, for this month, please feel free to make any suggestions on things we can do as a group, small, medium, large, within reason. We are open to anything old or new. Pray that COVID-19 will pass quickly. We will govern accordingly with COVID-19 in mind all year.

Well, that is all for this month. We hope each and every one of you are happy and healthy and your families as well.

Dallas Mopar Events and Member Activities

2020 is just about behind us. Many of us are ready to say good riddance to 2020 and the Covid-19 pandemic which has affected the world and many of us in our personal lives.

The Dallas Mopar Club was able to spend time with fellow club members, families and friends. We've had good fellowship and enjoyment through our MOPARS. Whether going to car shows or just getting out with our cars for a quick road trip. Some of this year's DMC activities include but are not limited to 2020 Dallas Autorama, DMC Monthly Club meetings, Texas Muscle Car Challenge, DMC 2020 Annual Southwest Mini Nat's and a few car shows to boot.

We are all looking forward to 2021. 😊

Merry Christmas, Happy Holidays and Happy New Year!!!
Stay Safe,
Ron Petrsek
