The President's Letter

Happy President's and Valentines Day!

The first regular Club meeting was January 13th at the Spring Creek BBQ, our regular Club meeting location, Interstate 635 and Preston Rd. in Dallas. We were pleased to have three generations of the Hawk family attend for the first time. Eric and his son Mitch are looking for a 1973-74 CUDA as a project. If anyone has a lead on a CUDA project car contact Eric at ewhawk@archwayprop.com. Mitch, at 18 fits the Young Gun category at Mini-Nats.

Ready, set, here we go to the 59th annual AutoRama. Bob Ostrowski will work his magic to set up the Club's display again this year. He has six (6) Club member's cars scheduled to be a part of the booth but can use volunteers for booth duty to promote the Club. Autorama runs from February 15-17 at the Dallas Market Center. Get in touch with "BobO" if you can assist. This is a Club subsidized event for Club members so remember to make sure your dues are current. This could be BobO's last Autorama as he will retire from Dallas ISD this year and plans to retire to his estate in Arkansas along with his 12 cars..

Remember to pay your dues. The next Club subsidized event is Mopar Magic's Mopar LA Car Show, March 23rd at First Baptist Church of Shreveport. This is a well managed and fun event. You can register on-line at their website, www.moparmagic.us. The Club pays the registration fee for members in good standing to take their cars. Remember to pay your dues. See you at the next meeting.

Bill
