The President's Letter

I hope all Dallas Mopar Club members, and families, are having a wonderful 2020. Welcome to February already. I have decided that this year I will use the Presidents letter format to accomplish two goals. Since monthly club meeting attendance is not what it used to be, I intend to keep all members up to date and then to reinforce via blast emails like in the past. This will include all club activities/events and also to solicit your input as to what club activities YOU want to see us host and promote.

Your ideas/suggestions are always welcome any time. Remember that over the last several years I have personally done a lot of research on local road trips and other special events that may be of interest to our members. Next month I will list several ideas from the past to see what interest is generated.

Now to early season activities coming up.

1) 2020 Dallas Autorama. Market Hall. Feb. 13-16th. I have 6 entries lined up now.

Please support us by attending. We have the same location as last year. We will have a club display table and we will be handing out 36th Mini Nats flyers, and club application forms. Come by the display and help us by talking Mopar with the crowd. Contact: Frank 214-577-5187. frank.maxwell@yahoo.com.

2) 2020 Mopar Magic Club Show, Shreveport, March 28th. Some will be leaving Friday March 27th, and staying in a motel, and others will be leaving early show morning. Contact: Brad

3) 2020 Pate Swap Meet, Texas Motor Speedway. April 30-May 2. The club will provide 3 or 4 spaces. Parts only for sale, tagged, priced, and labeled with the owner name. Contact: Frank.

Now to other club related activities.

1) We are considering bringing back the "mechanics" day, depending on interest.

Projects chosen must be 1 to 2 day, on a Saturday, owner supplies lunch for all workers, and the work done must help to get a Mopar back on the road. Contact: Frank

2) Let all club members continue to support our hosted and suggested events, and do the usual cruise circuit. The short list of ones that we suggest are:

1. Norma's Tollway/Quorum.

2. Any Kellers.

3. The North Texas Mustang Club hosted show on the 2nd Saturday of the month has changed location from the Cracker Barrel, Lewisville to a large parking lot (with restaurants) in Flower Mound, about 3 miles west of I35. I have a flyer on the cruise.

4. I am still trying to find info on the Meteor Burger Richardson, Wednesday evening cruises.

Keep Moparing, Moparmax

Hello from The Houston Mopar Connection Club,
 We have a family who has a 1970 Plymouth Road Runner for sale and I am trying to help them out. They are Bill and Tonya Keneda (tkeneda@comcast.net).
 Her husband had a cardiac arrest last year and spend 8.5 months in the hospital. Sadly, he was without oxygen for a bit and sustained a brain injury. Thank God, he is out and back home now, but he will never work again and struggles to do more than simple daily tasks. Needless to say, they realize his plan to restore his muscle car is no longer a possibility. They reach out to me for advice on the best way to sell their 1970 Plymouth Roadrunner. It has been in storage for at least 30 years, and has a nice layer of dust and dirt on it. It was running when it went into storage. Bill drove it in high school, and possibly won a race or two in it.
 Bill is Mopar all the way (his current car is a Dodge Durango), and maybe you know someone who will love the car like he did?

1970 Plymouth Road Runner for Sale
 Paint Color Ivy Green White Vinyl Top Black Vinyl Bucket Seats and Interior Engine 383 – 6.3L (Not Original) Transmission 3 Speed Automatic Power Steering Manual Brakes High Rise Intake Manifold 26” Radiator Air Grabber Hood Weight 3451 lbs. Length 204.00 inches Width 79.10 inches

This is a sound straight bodied Muscle Car that has been parked in storage buildings. The vehicle was driven and parked in the fall of 1981, last state inspection sticker was 1985, and had anticipation of restoring it back to its original condition when time permitted. The engine and transmission were rebuilt before it was parked and has from 10 to 15,000 miles on them, and has not been started in a long time. There were plans to restore the vehicle in the next few years, unfortunately heath conditions will not allow this to take place. From what can be seen, the vinyl top will have to be replaced, while it is off, there is some rust under it. The driver’s side fender was replaced years ago, but it looks like it was installed correctly. The body will need to be repainted, and since you will want to pull the motor and freshen it up, paint the engine bay as well. The bucket seats look in good condition, along with the dash, but the carpet will need replacing. We are asking \$18,000 for this solid muscle car. This can be restored back to either a driver or a show car depending on your needs. There are photos attached.

For more information contact Tonya at tkeneda@comcast.net Vehicle is in Cypress Texas

John Rhodes is selling '69 Super Bee Six-Pack

John is a cancer patient and he doesn't want his wife to be burdened with selling the car in the future. John's had this car since 2004 and he put a lot of love and money into it. He had an original A12 in '69 and wanted another. He put a lot of the best into this car and he is looking for \$36K-\$38K or Best Offer. He can drive or ship to north Texas.

For sale; 4 14" Rallye wheels with caps and trim rings. Very nice driver quality. 5 x 4" bolt pattern.... (A body). Tires look good, no weather cracking or rot but they are at least 10 years old. I probably wouldn't trust them for long freeway cruises..., \$250 Call Craig Bush 214-924-8237
