The President's Letter

To begin with, we are committed to Dallas AutoRama 2021. We have a great 6 car lineup. Our location is different for this year only. Instead of being under atrium, behind the stairs, at the far end of the main floor, we will be just ahead about 5 yards, in front of the stairs. It is actually a better location. The entire area under the atrium will be used for Covid-19 purposes.

Sunday February 14th, Valentines Day, the Daytona 500, and our next club meetings will be held at our usual Spring Creek BBQ on Midway Road. AutoRama will open Friday afternoon, February 19th, and run thru Sunday evening February 21st.

On March 27th this year we will be heading to Shreveport to support the Mopar Magic club with their show. And in April we drive to Fort Worth to support the Cowtown club with their annual show. Also, in April, we are set to participate in the Pate Swap Meet at the Texas Motor Speedway. We have 6 spaces available to any dues paying club member to sell parts, etc.

For 2021 we want to also support the TMCCC (Texas Muscle Car Club Challenge) even more than in 2020 and punch up our monthly club related activities by hosting a few make shift, simple car shows at various locations (including a couple at Garland Central Park) and at TMCCC events. These new events hopefully will all include bbq's.

I am asking for any club member suggestions, outside the box ideas, for special events. All ideas need to be inside the DFW area.

We again are in a club history phase that we must continue thinking outside the box for us to remain a viable club in the future. Our base is getting older, which is fine, but new blood, younger blood, is needed. The Cowtown and Shreveport clubs have a larger membership.

And just in, hot off the presses, a news update directly from Leroy Daniels. Magic show is March 27th, and at a new location this year, simpler show, much simpler trophy presentation with no other details available at this time.

Robert Vaughan received a call from Mike Dowd. He lives in East Texas and has helped us with Mini Nats in the past. He's a Viet Nam Vet and is having some health issues presently and needs to sell his project car. It's a '69 Barracuda Fastback. He has replaced the quarters and floors and now the car is rust free, it has some surface rust. He has a lot of parts that go with the car (mostly year one items), including new bumpers. He has nearly \$9000 invested and is willing to let it all go for \$2995. Includes all glass and Vintage American Racing Wheels. Check out the pics and if you are interested, PM Robert and I'll give you his phone number. He might also be interested in a partial trade for automatic transmission repair on his 1-Ton.
