## The President's Letter

Greetings Fellow Moparites,

June 21<sup>st</sup> is the official start of summer and my 44th wedding anniversary. I am truly blessed to have such a wonderful wife who has put up with me this long. Susan and I will enjoy the evening at the Lindale Wine Festival sampling some fine Texas wine.

Plans are in full swing for the 35th Southwest Mopar Mini-Nationals at the new location. We will need all who can volunteer to step up and help make the show a success. Proceeds from the show will be presented to the Methodist Children's Home in Waco. I understand the sponsors list is a short list this year so if you know someone who would like to have their logo on the back of what will be an outstanding T-shirt let Becky or Brad Buttermore know.

This is written before the Bluegrass on Ballard show spearheaded by Robert Vaughan and Wylie Masons. Always a good show, I hope many DMC members will make it. Remember this club started and hosted this show for several years going back to 2006 when we had about 70 cars on a gray day in May. This show now draws several hundred.

Mark your calendars. The joint Cowtown/DMC annual picnic is scheduled for Sunday September 15<sup>th</sup>, 2019, 8AM to 2PM in River Legacy Park, Arlington, Legacy Pavilion. This is the last one at the end of the left road after entering the park, the same one that we have used since Frank Maxwell was in diapers. Frank will keep us updated.

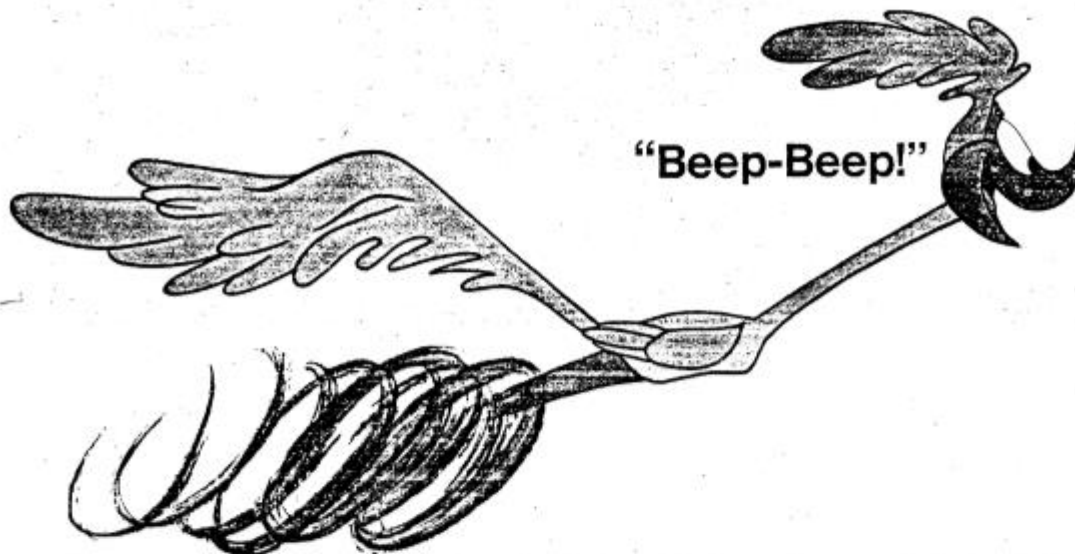

Regards,

Bill

**Notice: With the 35th Southwest Mopar Mini-Nationals at the new location we need as many folks as possible to volunteer some time. Please come to the club meeting on July 14<sup>th</sup> and signup to help.**

**Get the word out anyway you can. Post, post and repost, pass out flyers found on page 6 of July DMC Newsletter**

## Membership in Dallas Mopar Club

### Time to Renew for 2019

Club membership for 2019 was due by the end of January in order to remain a member in good standing and to continue receiving the *PentaStar Press*. You can renew, or join, by going to the Club's website, [www.dallasmoparclub.com](http://www.dallasmoparclub.com), renew by mail or pay at one of the Club events. Thanks to those who have already renewed their membership.

The membership dues have remained constant for several years; Single membership is still \$25, and Family membership remains at \$40. Current members need not fill out a membership form for renewal unless a change is needed for membership information the Club has on file. Your email address is especially important as an email is sent out when the newsletter is posted on the website.

## Dallas Mopar Events and Member Activities

As many may or may not know I'm an 80's and 90's Shelby Dodge Turbo enthusiast and president of the The Lone Star Shelby Dodge Auto Club.

On June 8<sup>th</sup> the Legacy Bank in Plano, TX had it's annual Shelby Car Show with many Shelby inspired vehicles.

It was a great success with The Lone Star Shelby Dodge Auto Club presenting 4 Dodge Shelby's out of over 200 Shelby cars at the Shelby event. We were surrounded by Blue Ovals who were very surprised to see Dodge Shelby's show up. We were initially hesitant to attend since it was kind of like Custer's Last Stand, at Little Big Horn and the Indians are all riding Mustangs. ☺ Luckily the Shelby owners were friendly.

Many did not know Carroll Shelby was instrumental in development of the Dodge Turbo vehicles in the 80's and 90's.

Ron's '87 Dodge Daytona Shelby Z, Steve Cuzzo's '87 Dodge Charge GLHS, Ron's '86 Dodge Daytona Turbo Z with C/S handling package and James Hales '86 GLHS

For those who are unfamiliar with Carroll Shelby's GLHS meaning:  
"Goes Like Hell Somemore"

We were privileged to meet Aaron Shelby who had memories of his dad Carroll Shelby giving him his first drivers lesson at the age of 16 in a GLHS at the Shelby factory in California.

Aaron Shelby signed our glove compartment doors on James Hale GLHS and Steven Cuzzo '87 Charger GLHS at the end of the Shelby Car show. It was great experience for all of us.

James Hale had previously talked about finding his son Mathew's signed Carroll Shelby glove compartment door from his 1986 Dodge Daytona C/S that he no longer had. James presented to me during the show. Luckily, I was able to get it signed at the Shelby Car show by Aaron Shelby.

Tracy Barenz attended the Wisconsin Mopar Muscle Club car show held on June 9<sup>th</sup>

They had 65 Mopars entered at the car show.

The Mopar show started off with rain but luckily stopped and it stayed overcast. It turned out to be a good day for viewing the Mopars.

=====

Hello from The Houston Mopar Connection Club,  
We have a family who has a 1970 Plymouth Road Runner for sale and I am trying to help them out. They are Bill and Tonya Keneda (tkeneda@comcast.net).  
Her husband had a cardiac arrest last year and spend 8.5 months in the hospital. Sadly, he was without oxygen for a bit and sustained a brain injury. Thank God, he is out and back home now, but he will never work again and struggles to do more than simple daily tasks. Needless to say, they realize his plan to restore his muscle car is no longer a possibility. They reach out to me for advice on the best way to sell their 1970 Plymouth Roadrunner. It has been in storage for at least 30 years, and has a nice layer of dust and dirt on it. It was running when it went into storage. Bill drove it in high school, and possibly won a race or two in it.  
Bill is Mopar all the way (his current car is a Dodge Durango), and maybe you know someone who will love the car like he did?

### **1970 Plymouth Road Runner for Sale**

Paint Color Ivy Green White Vinyl Top Black Vinyl Bucket Seats and Interior Engine 383 – 6.3L (Not Original) Transmission 3 Speed Automatic Power Steering Manual Brakes High Rise Intake Manifold 26" Radiator Air Grabber Hood Weight 3451 lbs. Length 204.00 inches Width 79.10 inches

This is a sound straight bodied Muscle Car that has been parked in storage buildings. The vehicle was driven and parked in the fall of 1981, last state inspection sticker was 1985, and had anticipation of restoring it back to its original condition when time permitted. The engine and transmission were rebuilt before it was parked and has from 10 to 15,000 miles on them, and has not been started in a long time. There were plans to restore the vehicle in the next few years, unfortunately heath conditions will not allow this to take place. From what can be seen, the vinyl top will have to be replaced, while it is off, there is some rust under it. The driver's side fender was replaced years ago, but it looks like it was installed correctly. The body will need to be repainted, and since you will want to pull the motor and freshen it up, paint the engine bay as well. The bucket seats look in good condition, along with the dash,

but the carpet will need replacing. We are asking \$18,000 for this solid muscle car. This can be restored back to either a driver or a show car depending on your needs. There are photos attached.

For more information contact Tonya at [tkeneda@comcast.net](mailto:tkeneda@comcast.net) Vehicle is in Cypress Texas

1969 Sport Satellite, Roadrunner turn signal lenses, amber, right & left, new in box, not NOS, \$50.00 for pair. Call Mark Zbylot @ 469.975.9933 or email [rockhamr5152@att.net](mailto:rockhamr5152@att.net)

John Rhodes is selling '69 Super Bee Six-Pack

John is a cancer patient and he doesn't want his wife to be burdened with selling the car in the future. John's had this car since 2004 and he put a lot of love and money into it. He had an original A12 in '69 and wanted another. He put a lot of the best into this car and he is looking for \$36K-\$38K or Best Offer. He can drive or ship to north Texas.
