The President's Letter

Welcome to March all Moparites. I have been so busy in the last month getting things done for the DMC and for my family. Brad had his achilles tendon surgery last week, and my wife Marilyn has her lumbar procedure this Wednesday, March 4th.

I promised to present an informal list of "suggested" club related small events/road trips that we will enjoy. At the next monthly meeting, and subsequent meetings, I will circulate an interest gathering sheet to find out how many club members would like to have one of these events occur. They are geared for the family aspect, one a road trip and one a local event. If enough interest is generated then I will work out a date to schedule each. I have spent considerable time and effort on research of such events for our club in the past, and I am now giving the two best another shot. No commitment at this time.

Listed below is a listing of upcoming club related events that have already been scheduled.

1. Autorama 2020 is in the books. 6 entries with 6 trophies. We all had a good weekend.
2. TMCCC begins the season in Ennis March 22nd, and Ennis again on April 19th. Each year the TMCCC has a first half, and a second half type season with time off during the summer. Robert Vaughan is the contact.
3. Mopar Magic Club big annual show is March 28th. Many of us are driving over on March 27, and staying in a motel in Marshall. Brad Buttermore is the contact.
4. Cowtown Mopar Club big show is at Summit Racing in south Arlington, April 25th.
5. Pate Swap Meet is April 30-May 2. We have 4 spaces reserved for ANY club member to display parts for sale. Contact Frank Maxwell.
6. CASA big car show is in Rockwall, May 17th.
7. Mini Nats (36) Sept. 5th, Rockwall, same location as last year.
8. Cowtown/DMC joint annual picnic, Arlington River Legacy Park, Sept. 19th.

The two possible event/road trip suggestions are listed below. I must get considerable interest in either or both to warrant even scheduling the events. I will address this topic more later.

- 1). Keipersol Winery, east Texas. We once planned an event here which was rained out. It would include the Magic Club, and consist of meeting in the winery parking lot and having a makeshift car show, then lunch in the winery, and tour of the winery.
- 2). Kartland Performance Indoor Raceway. I visited this business last year and I thought it would be a great place to have fun. Indoor road course. To sizes of carts. Electric. Plenty fast. About \$20 to run your laps + an \$8 license fee. Nice industrial area. In an industrial park in Frisco. Another makeshift car show could happen in parking lot.

Additionally, the Cowtown Mopar club every year hosts events in the DFW area, mostly Fort Worth and we are invited to join them at any time. Anyone interested in their events let me know. And finally, please let me know if you have any ideas for us to look into for an event/road trip.

=====

Hello from The Houston Mopar Connection Club,
We have a family who has a 1970 Plymouth Road Runner for sale and I am trying to help them out. They are Bill and Tonya Keneda (tkeneda@comcast.net).
Her husband had a cardiac arrest last year and spend 8.5 months in the hospital. Sadly, he was without oxygen for a bit and sustained a brain injury. Thank God, he is out and back home now, but he will never work again and struggles to do more than simple daily tasks. Needless to say, they realize his plan to restore his muscle car is no longer a possibility. They reach out to me for advice on the best way to sell their 1970 Plymouth Roadrunner. It has been in storage for at least 30 years, and has a nice layer of dust and dirt on it. It was running when it went into storage. Bill drove it in high school, and possibly won a race or two in it.
Bill is Mopar all the way (his current car is a Dodge Durango), and maybe you know someone who will love the car like he did?

1970 Plymouth Road Runner for Sale
Paint Color Ivy Green White Vinyl Top Black Vinyl Bucket Seats and Interior Engine 383 – 6.3L (Not Original) Transmission 3 Speed Automatic Power Steering Manual Brakes High Rise Intake Manifold 26" Radiator Air Grabber Hood Weight 3451 lbs. Length 204.00 inches Width 79.10 inches

This is a sound straight bodied Muscle Car that has been parked in storage buildings. The vehicle was driven and parked in the fall of 1981, last state inspection sticker was 1985, and had anticipation of restoring it back to its original condition when time permitted. The

engine and transmission were rebuilt before it was parked and has from 10 to 15,000 miles on them, and has not been started in a long time. There were plans to restore the vehicle in the next few years, unfortunately health conditions will not allow this to take place. From what can be seen, the vinyl top will have to be replaced, while it is off, there is some rust under it. The driver's side fender was replaced years ago, but it looks like it was installed correctly. The body will need to be repainted, and since you will want to pull the motor and freshen it up, paint the engine bay as well. The bucket seats look in good condition, along with the dash, but the carpet will need replacing. We are asking \$18,000 for this solid muscle car. This can be restored back to either a driver or a show car depending on your needs. There are photos attached.

For more information contact Tonya at tkeneda@comcast.net Vehicle is in Cypress Texas

He had an original A12 in '69 and wanted another. He put a lot of the best into this car and he is looking for \$36K-\$38K or Best Offer. He can drive or ship to north Texas.

For sale; 4 14" Rallye wheels with caps and trim rings. Very nice driver quality. 5 x 4" bolt pattern.... (A body). Tires look good, no weather cracking or rot but they are at least 10 years old. I probably wouldn't trust them for long freeway cruises..., \$250
