The President's Letter

All Club officer positions are up for election in December, President, Vice President, Treasurer and Secretary. Officers serve for one (1) year and may serve two (2) consecutive terms. We really need folks to step up and serve. The attendance at the October meeting was so light no nominations or volunteers were received.

Nominations will be received at the November and December meetings with elections to be held at the Christmas Party, December 7th. Be thinking about who you would like to see serve this next year and be sure to raise your hand when called on to serve. If nominating someone please have the person's approval before nominating them for office.

Mark your calendars for November 9th and plan to attend the EDGEWOOD HERITAGE FESTIVAL AND CAR SHOW. The Edgewood Heritage Festival is marking its 43rd year as one of the premier annual festivals in Northeast Texas. The 2019 festival is November 9th, 8:45 to 4PM at the Heritage Park Museum of East Texas and downtown Edgewood, which is located on US Highway 80, 50 miles east of Dallas and 50 miles west of Tyler. Admission to the festival is free. This is a family friendly festival with something for every member of the family. Contact Brad Buttermore if you plan to attend so he can alert the good folks in Edgewood how many Mopars to expect as they will often reserve spots so we can all park together.

While you're marking your calendars, pencil in December 7th for the Dallas Mopar Club's Annual Christmas party, 6 to 9PM at the Garland Senior Center, 600 W Avenue A, Garland, TX 75040. Catering will once again be by Dickey's BBQ in Wylie. There will be a Chinese gift exchange so to participate bring a gift worth at least \$25.00; no Gag Gifts please.

Warm regards,

Bill

Craig Bush went to the St. Andrew United Methodist Church car show / fall festival on Sunday October 27th. Fellow DMC members Patrick Landry with his 95 Viper and Roy Gronau with his Hellcat powered 74 Challenger were also present. Roy said he had just picked his car up on October 23rd from having the Hellcat transplant completed. There were 57 vehicles entered with the top 10 receiving plaques (participant voting), Roy and I both received plaques. The weather was perfect, there was a very large crowd of folks with kids in costumes.

Thanks,

=====

Hello from The Houston Mopar Connection Club,
We have a family who has a 1970 Plymouth Road Runner for sale and I am trying to help them out. They are Bill and Tonya Keneda (tkeneda@comcast.net). Her husband had a cardiac arrest last year and spend 8.5 months in the hospital. Sadly, he was without oxygen for a bit and sustained a brain injury. Thank God, he is out and back home now, but he will never work again and struggles to do more than simple daily tasks. Needless to say, they realize his plan to restore his muscle car is no longer a possibility. They reach out to me for advice on the best way to sell their 1970 Plymouth Roadrunner. It has been in storage for at least 30 years, and has a nice layer of dust and dirt on it. It was running when it went into storage. Bill drove it in high school, and possibly won a race or two in it.
Bill is Mopar all the way (his current car is a Dodge Durango), and maybe you know someone who will love the car like he did?

1970 Plymouth Road Runner for Sale

Paint Color Ivy Green White Vinyl Top Black Vinyl Bucket Seats and Interior Engine 383 – 6.3L (Not Original) Transmission 3 Speed Automatic Power Steering Manual Brakes High Rise Intake Manifold 26” Radiator Air Grabber Hood Weight 3451 lbs. Length 204.00 inches Width 79.10 inches

This is a sound straight bodied Muscle Car that has been parked in storage buildings. The vehicle was driven and parked in the fall of 1981, last state inspection sticker was 1985, and had anticipation of restoring it back to its original condition when time permitted. The engine and transmission were rebuilt before it was parked and has from 10 to 15,000 miles on them, and has not been started in a long time. There were plans to restore the vehicle in the next few years, unfortunately health conditions will not allow this to take place. From what can be seen, the vinyl top will have to be replaced, while it is off, there is some rust under it. The driver’s side fender was replaced years ago, but it looks like it was installed correctly. The body will need to be repainted, and since you will want to pull the motor and freshen it up, paint the engine bay as well. The bucket seats look in good condition, along with the dash, but the carpet will need replacing. We are asking \$18,000 for this solid muscle car. This can be restored back to either a driver or a show car depending on your needs. There are photos attached.

For more information contact Tonya at tkeneda@comcast.net Vehicle is in Cypress Texas

1969 Sport Satellite, Roadrunner turn signal lenses, amber, right & left, new in box, not NOS, \$50.00 for pair. Call Mark Zbylot @ 469.975.9933 or email rockhamr5152@att.net

John Rhodes is selling '69 Super Bee Six-Pack

John is a cancer patient and he doesn't want his wife to be burdened with selling the car in the future. John's had this car since 2004 and he put a lot of love and money into it. He had an original A12 in '69 and wanted another. He put a lot of the best into this car and he is looking for \$36K-\$38K or Best Offer. He can drive or ship to north Texas.
