Presidents Letter November 2022

Happy Thanksgiving to our Dallas Mopar members and your families. We are getting to the end of another year. We have had a pretty good year as a club. It is time for everyone to commit to attending the Club Christmas Party on December 3rd meeting up about 3 PM and having Christmas dinner at five. At this writing we have twenty-seven confirmed attendees. I have been making invitation calls to all that I have phone numbers for. If I have not called you, please give me a call so I can add you to my phone list. My number is 214-755-6942.

The DMC Christmas party is at the home of Andy Dicus - 6613 County Rd. 4070 Kemp Texas. Directions from Dallas are: Take Hwy 175 south/east to Kaufman exit Hwy 34 south (right) 6.1 miles to Hwy 148 east (left) to County Rd. 4065 9.4 miles turn right 2 miles to 4070, turn right 1 mile. It is best to use your phones GPS from Kaufman for a little shorter route. I do warn you to not go to Kemp and come in from that direction because the road is a mess from Kemp. The road is new from Kaufman. You Have been warned.

We are doing the Chinese gift exchange again this year. If you want bring a gift worth a minimum of 25.00 to be involved with the exchange. We are going to have BBQ brisket, ribs, and sausage catered in with sides of Cole slaw, potato salad and baked beans. Also bring your favorite dessert and/or side if you wish. Everyone gets on board and come.

Auto Rama is coming up in February. At the last board meeting we had four or five interested in entering. We are going to ask for eight spots. If you want to put a car in the show let us know.

Also, we have Club officer elections coming up, be thinking about who you want to run the club.

Jerry Reed

Meeting minutes 10-9-2022

Meeting minutes 11-13-2022

Meeting occurred at VFW Post 5076, 2180 Meridian Way, Garland 75040

Board /club meeting called to order at 1:54 PM by president Jerry Reed, 8 members were in attendance, no new members present.

Club treasurer Andy Dicus presented a detailed financial report with numerous handouts. He went over the bank activity for the past month.

Craig Bush gave a race report on the Texas Muscle Car Club Challenge (see the write up elsewhere in the newsletter).

Jerry and Andy discussed details of the upcoming Christmas Party which will occur on December 3rd at the home of Andy and Linda Dicus, 6613 CR 4070, Kemp TX. 75143. Gathering starts at @ 3pm with BBQ served @ 5pm. The club trailer will be available for repairs and organization before dinner assuming the weather is good. A Chinese gift exchange will occur for any members that bring wrapped presents of \$25 or greater in value. Club members are asked to bring a desert of their choice.

Jerry asked if we wanted to share space with the Cowtown Club at the Auto Rama in February 2023 as we did last year, the consensus was yes. Jerry will contact the Cowtown Club to coordinate and verify that will be possible.

Jerry stated he has reserved both Sep 2 and Oct 7 dates with his church for the SW Mopar National show for 2023 and wants to pursue having the show on Oct 7, there were no objections. He stated the church will probably have additional gravel parking by then which trucks and trailers can park on during the show. Jerry also brought up the need that the club needs to recruit additional judges for the show beginning after the first of the year.

Jerry asked for any new business, it was noted the club website needs to be updated, I have emailed Mike Boyd to see what needs to be done to accomplish this.

Meeting was adjourned at 3:02PM.

Thumbs up for Meguiars PlastX to clean modern headlights. My '93 Daytona headlights were looking terrible. I tried the Meguiars PlastX cleaner on them using drill and flexible soft pad. Nearly effortless cleaning and done in five minutes. See Before and After photo's

TMCCC Race Report

TMCCC Update

The last Texas Muscle Car Club Challenge race for 2022 was at Xtreme Motorsports Park in Ferris on Sunday October 30th. There were 4 people representing the Dallas Mopar Club.

1. Craig Bush 2007 Charger R/T ... Street Muscle
2. Terry Machost 2016 Jeep SRT8 ... Super Muscle
3. Jerry Machost 2017 Ford Focus RS ... King Muscle
4. Nathan Machost 2020 Silverado ... Street Muscle

A Silverado and a Focus representing the DMC? Yes, you can drive anything you want and represent (race) for the DMC so bring out your daily driver no matter the brand. The Street Muscle class is consistently the largest as there are a lot of daily drivers.

Nathan, Jerry and Terry went 1 round of eliminations, Craig went 2 rounds.

Terry and Craig both compete in the drivers reward program where points are accumulated based on your results at each event. Terry finished 7th in Super Muscle while Craig finished 6th in Street Muscle.

Check out the TMCCC website at tmccc.org or look for them on Facebook for the 2023 schedule.
