### Notes from the President's Desk – October 2023

Welcome to Fall! After the brutal Summer, the weather feels great. It's a great time of year to get those classics out, especially if you're cruising without AC. Plus, those 60-year-old cooling systems really don't usually like 105+ heat. Enjoy the colors and get those cars out and show them off.

As you probably know, the Dallas Mopar Club had their Fall Southwest Mopar Nationals on October 7 in Rowlett. This was the first year that the DMC moved the date for this show from the Saturday preceding Labor Day to the first Saturday in October. I can honestly tell you that when the club discussed a possible date change, there was some concern that breaking the "Labor Day tradition" might negatively affect the attendance. I looked back and the weather that September Saturday was 104. On Saturday, October 7, the high was 73. I always knew the DMC was special but now I know they are truly blessed. The weather could not have been better.

Speaking of the Dallas Mopar Southwest Nationals show, the date change had no adverse effect on participation. We had about 130 judged cars in addition to several 'display only' vehicles. We had a record number of winners and the spectator attendance was excellent. I have been to only 5 or 6 of the 39 annual shows produced by the DMC but I think this one was the best one I've seen. There's always room for improvement but based on the feedback I've received; it was a hit.

I would like to take this opportunity to thank all of our sponsors, especially Dodge City of McKinney. Dodge City has been the primary sponsor of the Dallas Mopar Club and this show for several years. They are in the process of building a beautiful new facility in McKinney and I expect that the DMC will be doing some more shows, possibly at their facility, in the near future. Please keep Dodge City of McKinney in mind when shopping for a vehicle or service. Make sure to tell them that you are a member of the Dallas Mopar Club. They will take great care of you.

In addition to our sponsors, I want to thank the many club members that helped with the show. The food vendor did a great job. The Goody Bags, signage and door prizes were first class. We had members judging, selling shirts, helping folks get parked and on and on. I just can't say enough about our fine members that worked so hard to help to make the show a success. Jerry Reed, the club Vice President has been putting these shows together for years and his experience pays off with the quality of the show. Plus, Jerry is a member of Crossroads Church and without the cooperation of their beautiful facility, we'd probably not have a show. What a wonderful church!! All in all, it was one of the best shows that I've ever attended and I've been to a few. If you have suggestions or any feedback regarding the show, we'd sure like to hear from you. We're already discussing next year.

I also want to thank all of the folks that brought so many beautiful vehicles to Rowlett. Some came long distances to be with us and we thank you. I have no doubt that our show had a larger collection of beautiful Mopars than any gathering in North Texas. Our newsletter editor, Ron Petrasek took several great pictures for this newsletter. You can also see some great coverage at the Dallas Mopar Club Facebook page.

The club is always looking for "the story" behind the car. I mentioned to a few members last Saturday that if they would take a few minutes and jot down a few notes about their vehicles, our other members would be very interested in hearing some of the history and specifics that make so many of our vehicles unique. Take pictures and email us the story so that we can share with the rest of the club.

Due to the Fall show, we had a schedule change regarding our monthly club meeting. The October

\*

meeting will be held on October 22 at 2:00 pm at the Garland VFW, 2180 Meridian Way in Garland. We will have some club business to discuss but we also have some timely and important issues to cover. The nominations for the officers (President, Vice President, Secretary and Treasurer) are due in November and voting will occur in December. All members are invited to vote and any member in good standing can be nominated to one of these positions. We also have one Director on a 2-year term that expires December 31, 2023. We would love to have more members 'speak up' and offer to take on some club responsibilities. It's a great club because it's full of great people.

\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*

We will also be discussing the 2024 AutoRama show. Last year, the DMC won the "Outstanding Club" award along with every car in our display winning in their particular category. It's hard to believe but February will be here before we know it.

Speaking of time flying by, we will be discussing our Christmas Party. If you have any suggestions as to a suitable venue, please pass your ideas to us. The Christmas party is always a lot of fun and I'm sure that this year will not be an exception.

Well, that's enough rambling from me. It's hard to believe that we're in the final quarter of 2023. It's been an interesting year with several new members, great shows and continued success for the club. I have no doubt that 2024 will be even bigger and better than ever.

Thank you for your great support of the Dallas Mopar Club. I hope to see you on the 22nd at the club meeting.

The SDAC Lone Star Shelby Dodge Club Turbo's are back representing the 80s & 90s Dodge vehicles. Two 1986 Omni GLHS (Goes Like Hell Somemore) and a 1986 Charger GLHS made appearance at the Dallas MOPAR Nationals. The Dodge GLHS vehicles were Carrol Shelby's creation and the OMNI GLHS was the fastest 4 doors of the 1980s vintage US vehicles. Torque steer was prevalent on the GLHS models so you needed to hold on while playing with Blue Ovals and Bowties.

The '86 and '93 Dodge Daytona's had Carrol Shelby Intercooled Turbos and handing packages to improve FWD driving performance.

Lee lacocca pulled Chrysler out of the grave in the 80's with the Front Wheel Drive and Turbo Charged Chrysler, Dodge & Plymouth vehicles. Carrol Shelby Turbo charged the '80s & '90s FWD cars for street performance.

### **AMC Club**

The AMC Club has been at our Dallas MOPAR Nationals for may years. Amazing to see the Gremlin, Javelin, Marlin and American vehicles.
