

The President's Letter

Welcome to life after the 37th annual DMC Southwest Mopar Mini-Nats for 2021. I am writing this letter Sunday Sept. 5th. Recovering from the show while watching the Southern 500 on tv. I feel like starting with wonderful, wonderful. Over 100 entries. No rain. Shady until afternoon from all the tall trees. Excellent attendance. And I follow with thank you, thank you, thank you. To the Cowtown club. To the Mopar Magic club. Ron Petrasek and his bunch of Dodge Shelby/front wheel drive friends. And a special thank you to Stephen Ward and his bunch from the AMC club. Thank you to all of our people for attending and helping with the show. Next, thank you to all the spiffy modern Mopar's, and to our "extra" group of E body guys from the old days. Makes me proud to say I was around in the early days of our club, personally knowing most of the all-time greats. The legends.

Back to our current club members. As Brad said at the trophy presentation, we are blessed to have Mike and Melissa Boyd who take care of all the computer, data base, updating, online support, membership, and especially for all our Mini-Nats, printed matter, judging paperwork, registration, and judging results, etc. etc. etc. This all happens along with complete support from Ron Petrasek doing our best newsletters in many years, photography etc. Together they keep us up to date. And of course, Robert Vaughan handles all the TMCCC events with emphasis on coordinating our drag racing club members. Beyond all that we absolutely depend on our Board members to get the rest of the work done.

And finally, without the tears displayed on Saturday from one Mark Buchanan from the Cowtown club, we have two complete Super Star performers to also mention. A wonderful couple, snappy dressers, true leaders, and all-around good eggs. Yes, I am referring to Brad and Becky. These two keep us going, alive, and they care more about our club than most people realize. Neither will be holding active positions in our club next year, and they will be missed for that reason alone.

For 2022 we absolutely need a couple veteran club members to step up to the plate and get involved with our Board of Directors. We will be hard pressed to participate in Auto Rama, Pate, our annual joint Cowtown/DMC picnic usually held at the River Legacy Park in Arlington. We will always support Cowtown, and Mopar Magic, and the other Mopar/AMC clubs, however; unless I can find someone willing to accept either a board position or a volunteer/appointed position with the title of "special events coordinator" who will be responsible for events like those mentioned above then we may not be able to participate in those events. I can be President or coordinator, but not both.

We will be presenting the 2022 38th Southwest Mopar Mini-Nats as a group/board/all club member's event. This event will remain of course separate. This event requires BIG efforts from at least 10 club members (I mean lots of time), including all of the critical tasks which will be assigned.

And finally, for this month a few updates:

- There will be no more club related events this month September.
- The October club meeting at Rocky Haddick's, date and location will be announced later.
- November:13th Edgewood Heritage Festival Saturday or Henderson Heritage Syrup Festival
- Thanksgiving, November will be reserved for all club members to spend with their families, so no meetings.
- In December we will present our annual Christmas party, gift exchange, dinner, with the 2022 Board election results. Date and location later.

The DMC August meeting was held a GUZZI Fabrications in Rowlett, Texas.

The Dallas Mopar Club supplied KFC for all attendees. We got to see Brads Charger getting new sheet metal fabrication on his vehicle. Thanks to Robert Guzzi for inviting the Dallas Mopar Club to his new shop and showing his fabrication handy work.

Preparation up to the 2021 with the Goody Bag stuffing party to get all those goody bags ready for the MiniNats. Special thanks to Jerry and Michelle Reed's opening up their home for the get together. We also enjoyed Mexican food and good conversation.

The club is getting better and better at this Goody bag stuffing. As you can see we are a well-organized at the bag stuffing activity. Thanks to Hagerty, NAPA and other venders for their donations.

It wasn't all work, work and more work. Jerry got to show off his 1966 Plymouth, Satellite. It's been Jerry's project car for many years. He did bring it to the Mini-nats as a non-judged entry.

The 37th Annual Dallas Mopar Club Southwest Mopar Mini-Nats was a success thanks to all the club members participation. Brad & Becky Buttermore orginazation skills preparing for the MiniNats., Mike and Melissa Boyd on our Computer data base, working the Goody Bags, 50/50 ticket and T-Shirt sales Deanne Landry, Linda Dick, Barbara Edmunds Bush, Becky Buttermore and everyone else that came early and left after everything was cleaned up.

Special Thanks for our Judges that bared the August 98° degree heat to judge over 90 Vehicles. We couldn't get it done withhout them !!

Race Info

Saturday, September 19 saw the Texas musclecar club challenge return to Extreme raceway park in Ferris Texas to get our after summer break kicked off, however summer didn't get the memo.... temperatures were pushing 100° with very little wind.

Robert Vaughan was racing in King Muscle where he went two rounds.

Craig was racing the street class and made it all the way to the final, six rounds, where he got a little anxious and turned on the red light.

A good day even if it was a little warm.

Our next event is at I-30 dragway on September 26, it will be a doubleheader race due to being rained out at the venue a couple of weeks ago.

Car is in what appears to be great shape and comes with some new uninstalled parts as well.

From Charles from the Houston Mopar Connection Club.

One of our members passed away recently and we now have two Mopar's for sale. It was sudden when we lost Ken, and all of our members are, what we refer to "Car Poor" so none of us have room for another vehicle. Was wondering if you could pass it on to your club members. We are trying to find someone who keeps their vehicles, not buy and sell. First one is "Chargeup "a 67 Charger that was customized.

The second is a 62 Newport

The Newport has just recently been painted and started to be re-assembled. Chargeup is a 440 Automatic, front disc brakes. They are asking 35k for it. It is very nice.

Both vehicles are available down in Pearland Texas. Please call Charles cell 281-804-0355
